The following represents a summary of financial highlights from January:

- **January Bank Reconciliation (Page A-1):** The January revenue and expense activity is balanced.
- **Income Taxes (Pages B-1 & B-2):** The January 2018 collections exceeded the January 2017 collections by 13 percent.
- **Fund Balance Report (Pages C-1, C-2, C-3):** The report shows that the ending unencumbered fund balance in the General Fund is \$301,183, which is approximately the same as 2016 when the General Fund finished January at \$302,036.
- **Revenue Comparison (Page C-4):** This report shows that the January 2018 revenues are comparable to 2017 and in line with budget expectations.
- **Expense Comparison (Page C-5):** This report shows that the January 2018 expenses are higher than 2017 due to an employee retirement payout, the service building renovations, and an interest payment for the Locust Cherry Intersection and Service Building debt.
- **Budget Status Reports (Pages C-6 & C-7):** The report shows that with the exception of the Lands/Buildings and Street Operating Fund, the expenditures in all other funds is in line with budget expectations. The higher expenditures in the Lands/Buildings and Street Operating Funds are due to an employee retirement payout.
- **January Bills:** The total bills reported for January equal \$790,710.86. The bills are higher than usual due the service building renovations, Fire Department equipment purchases (breathing equipment and ambulance), and an interest payment for the Locust Cherry Intersection and Service Building debt.

938.01 Stormwater Utility

It is hereby declared necessary for the protection of the public health, safety, welfare and convenience of the City of Canal Fulton ("the "City") and its inhabitants to codify the establishment of a storm drainage utility (hereinafter "Stormwater Utility" or "Utility") and to codify just and equitable rates or charges to be paid to the City for the use of such services which shall be used for the payment of the cost of the management, maintenance, operation, repair, construction, reconstruction, enlargement, replacement and related costs of the Stormwater Management System and items relating to the City Stormwater Management Plan as required through the Ohio Environmental Protection Agency (OEPA).

938.02 Findings, Determinations and Power

It is hereby found, determined, and declared that those elements of the System which provide for the collection, treatment and disposal of stormwater and regulation of ground water are of benefit and provide services to all property within the incorporated City limits, including property not presently served by the storm elements of the System. The beneficiaries of the System include all real properties within the City of Canal Fulton which benefit by the provision, operation and improvement of the System. Such benefits may include, but are not limited to, the provision of adequate systems of collection, conveyance, detention, treatment and release of stormwater, the reduction of hazard to property and life resulting from stormwater runoff, improvement in general health and welfare through reduction of undesirable stormwater conditions, and improvement to the water quality in the storm and surface water system and its receiving waters.

The stormwater utility, under the direction of the City Manager shall, and does, have the power to:

- (a) Prepare regulations as needed to implement this Chapter and forward the same to City Council for consideration and adoption, and adopt such policies and procedures as are required to implement said regulations or carry out other responsibilities of the utility.
- (b) Administer the acquisition, design, construction, maintenance and operation of the System, including capital improvements.
- (c) Administer and enforce this Chapter and all regulations and procedures adopted relating to the design, construction, maintenance, operation and alteration of the System including, but not limited to, the quantity, quality and/or velocity of the stormwater conveyed thereby.
- (d) Inspect private systems as necessary to determine the compliance of such systems with this Chapter and any regulations adopted pursuant to this Chapter.
- (e) Advise City Council, the City Administration and City departments on matters relating to the utility.
- (f) Prepare and revise a comprehensive drainage plan for adoption by City Council periodically.
- (g) Review plans, approve or deny, inspect and accept extensions to the System.

(V) **"Undeveloped Property"** means real property which is a buildable lot within the corporate limits.

(W) **"Undisturbed property"** means real property which has not been altered from its natural state by dredging, filling, removal of trees and vegetation or other activities which have disturbed or altered the topography or soils on the property.

(X) **"User Fee District"** means the area or property within the corporate limits of the City of Canal Fulton.

(Y) **"Vacant improved property"** means vacant property which is, or could reasonably be, served by any subdivision improvements that allow egress.

938.04 Stormwater Fee

Subject to the provisions of this Chapter, each and every residential developed and nonresidential developed, other than exempt property, within the corporate limits of the City, and the owners and non-owner users thereof, have imposed upon them a Stormwater Fee. In the event the owner and non-owner users of a particular property are not the same, the liability for each the owner and nonowner user for the Stormwater Fee attributable to that property shall be joint and several. The Stormwater Fee shall be billed on a monthly basis which shall be determined by the provisions of this Chapter and the ERU and ERU Rate which shall be established and changed from time to time by City Council. The rate hereby adopted by the City Council is \$2.00 per month per Equivalent Residential Unit (ERU) and by the following scale for any developed property not considered R-1 Residential.

Total Impervious Surface Area	Fee Per Month
1 – 10,000 Square Feet	\$4.00
10,001 – 25,000 Square Feet	\$7.00
25,001 – 50,000 Square Feet	\$10.00
50,001 – 100,000 Square Feet	\$20.00
100,001 Square Feet and up	\$40.00

938.05 Stormwater Fee Collection

The Fee provided in Section _____.04 shall be billed to the person or entity currently receiving the City's utility bill for water utility services. The owner of the parcel of property in question shall always be responsible for said bills. Such fee shall appear on the utility bill rendered by the City for water services as a separate item and shall be considered an integral part of such bill. Failure to remit the entire amount of the charges for all services shall constitute a delinquency, with termination of all services to take place in accordance with the provisions of the Codified Ordinances of the City of Canal Fulton, thirty days after such delinquency. For those properties within the corporate limits of the City that do not utilize the City's sanitary sewer services the property owner, or their designee shall be billed separately for the Stormwater Fee. The Storm Water User Fee will part of the consolidated statement for City utility customers which is paid by a single payment. In the event that a partial payment is received, the payment shall be applied as follows. Storm Water Utility first, sewer charges second and water charges third.

938.06 Stormwater Drainage Fund

The revenues received pursuant to this Chapter ____ shall be deposited with the City Finance Director and shall be kept in a separate and distinct fund known as the Stormwater Utility Fund. The Stormwater Utility Fund shall be used for the payment of the cost of items related to the City's Storm Water Management Plan as mandated by the Ohio Environmental Protection Agency (OEPA) and of the management, maintenance, operation and repair of the Stormwater Management System and for the enlargement or replacement of the Stormwater Management System, for the construction and reconstruction of said System, for the payment of interest on any indebtedness incurred for the construction thereof, and for the creation of a sinking fund for

the payment of such indebtedness, but shall not be used for any other purpose not related to items in this chapter or for private storm sewer apputances.

938.07 Stormwater District Review and Appeals Board

(a) The City of Canal Fulton Stormwater District Review and Appeals Board is hereby established. Said Board shall consist of five (5) members; The City Engineer and the City Manager. The other three (3) members shall consist of electors of the City appointed by the Mayor and approved by City Council. Appointed members may be removed by the Mayor with the approval of a vote of two-thirds (2/3) of the members of City Council. The term of office for appointed members of said Board shall be two (2) years. Should a vacancy occur on the Board, the remaining portion of the unexpired term shall be filled by the Mayor and approved by City Council.

(b) The Board is authorized to hear appeals regarding disputes and complaints brought by owners and nonowners concerning application of this chapter, including the authority to make adjustments as appropriate to provide relief from a strict application of the provisions of this Chapter due to unique circumstances which reduce the burden of operating, constructing, repairing and maintaining the Stormwater Management System and the structures and devices related thereto, while accomplishing the intent of this Chapter, as follows:

1. Calculation of the total number of billing units assigned to a property that are claimed to be inaccurate due to alleged inaccuracies in data utilized by the billing staff.
2. Adjustment to or credit against billing units assigned to a property which wholly or partially drains directly outside the City limits.
3. Adjustments to or credits against billing units assigned to properties containing stormwater detention or retention facilities providing on-site management of stormwater prior to discharge to the public Stormwater Management System.
4. Adjustments arising from a break in billing units due to change in property ownership, account responsibility or similar matters.
5. Any other adjustments or credits against billing services assigned to properties which diminish the quantity of stormwater handled by the Stormwater Management System or reduce the cost to the City of constructing, operating and maintaining said System, such as a property owner's agreement to install oversize storm sewer pipes at its own cost, which provides stormwater drainage for other properties, obligations assumed by an owner to maintain and repair storm sewer lines which are a part of the City's Stormwater Management System, providing stormwater retention of detention facilities designed and installed to detain or retain stormwater originating from other properties.

(c) Any appeal must be filed in writing for a request for reconsideration, and must describe the specific error alleged, and contain the resolution of said dispute which the appealing party feels is correct. Said Board may request additional information from either the appealing party or the City. The decision of said Board shall be final.

938.08 Flooding, Liability

Floods from stormwater runoff may occasionally occur which exceed the capacity of storm drainage facilities constructed, operated, or maintained by funds made available under this Chapter. This Chapter does not imply that Property subject to the fees and charges established herein will always be free from stormwater flooding or flood damage, or that stormwater systems capable of handling all Storm events can be cost effectively constructed, operated, or maintained. Nor shall this Chapter create a liability on the part of, or cause of action against, the City or any officer or employee thereof for any flood damage that may result from such Storms or the runoff thereof. Nor does this Chapter purport to reduce the need or the necessity for obtaining flood insurance.

938.09 Notice to Correct Drainage

- (a) Whenever the City Manager or his designee shall find that a tract of land is inadequately drained, or that there is an obstruction to a culvert, covered drain, or other natural or man-made watercourse that interferes with water naturally flowing therein or that such culvert, drain, or watercourse is of insufficient capacity to reasonably accommodate the flow of water, as required by this Chapter, the City Manager or his designee shall notify the owner or person having possession, charge, or management of such land to remove the obstruction or provide the

This Agreement entered into this 5th day of December 2017, by and between City of Canal Fulton, Stark County, Ohio, a political subdivision, hereafter "Agency", and the City of Massillon, Ohio, a municipal corporation, hereafter "Massillon".

WHEREAS Massillon will continue to operate a holding facility for the holding of incarcerated prisoners for Massillon Municipal Court appearances; and

WHEREAS, Massillon has agreed to be responsible for the transportation of said prisoners to and from the Stark County Jail with regard to appearances required in the Massillon Municipal Court; and

WHEREAS, Massillon and Agency wish to set forth the terms of their agreement with regard to the fees to be paid by Agency to Massillon for the transportation of such prisoners to and from the Stark County Jail and the Massillon Municipal Court.

THEREFORE, it is agreed by and between Massillon and Agency as follows:

1. Massillon shall be responsible for transportation of Agency's prisoners booked at the Stark County Jail to and/or from the Stark County Jail to the Massillon Municipal Court for court appearances.

- A. In consideration of Massillon bearing the cost and expense for the transportation of such prisoners Agency shall pay to Massillon, for the period of January 1st 2018 Through December 31st, 2018, \$125.00 per prisoner transported.

The amounts owed by Agency for the 2018 calendar year shall be paid in four quarterly installments by the Agency. Massillon will bill Agency for amount due under this Agreement in the months of January, April, July and October. Agency will pay the quarterly amount due within thirty (30) days.

2. Warrant Service:

In the event an Agency makes an arrest upon a Warrant, and the Warrant is not a Warrant issued by the Massillon Police Department, the arresting Agency shall be responsible for transportation of said prisoner to the Stark County Jail for booking. In the event the Agency makes an arrest upon a Massillon Police Department Warrant, the arresting Agency may drop the prisoner off at the Massillon Police Department or make arrangements to meet at a mutually acceptable location to turn the arrestee over to the Massillon Police Department for transportation and booking.

3. Reportable Offenses:

When an Arresting Agency chooses to summons, rather than book a person charged with a reportable offense, and the person is sent to MPD for processing, the Agency will be charged a fee of \$20.00 per processing.

4. Additional Provisions:

Massillon further agrees to provide the following:

- A. Routine medical attention that may be required and can be provided at the Massillon City Jail;
- B. Transportation to a hospital emergency room or other local clinic in cases where medical attention other than routine is required and such transportation can be safely and properly provided in a police department vehicle;
- C. A guard for the prisoner while at the hospital for a period not to exceed three (3) hours, provided that no overtime costs are incurred to supply the guard;

5. In consideration of the foregoing, Agency covenants and agrees to pay Massillon the

following:

- A. The total cost of using a Massillon police officer to serve as a guard while the Agency prisoner is confined to a hospital, except as provided in section (2) above. A minimum of two (2) hours will be charged in the event that a hospital guard is required. Such costs shall include any overtime costs or other payroll costs associated with supplying a guard officer. Agency shall be given notice and an opportunity to supply personnel of its own law enforcement agency to serve as a guard while the prisoner is confined in a hospital. Massillon police officer shall serve only as a guard after Agency has been given notice and failed to supply a guard pursuant to this section.
- B. It is understood that individual prisoners are primarily responsible for all costs of medical treatment or special medicines required in their treatment. Agency agrees to assume responsibility for any medical costs for which an Agency prisoner cannot be held responsible. In the event that Massillon is adjudicated liable for costs incurred by a Agency prisoner, Agency shall reimburse Massillon for said amount. However, Agency shall not be responsible for payment of the above costs of special medicines, medical attention or burial costs where the cause of death of the cause of illness or injury requiring medical attention or the administration of special medicines was the result of malfeasance, nonfeasance, neglect of duty or any other action of an employee and/or police officer of Massillon.

This Agreement shall take effect in January 1, 2018, and remain in effect until December 31, 2018, unless superseded or rescinded, however, either party may terminate this agreement upon thirty (30) days written notice to the other party.

This Agreement constitutes the entire agreement between Massillon and Agency. All other agreements concerning the booking and handling of prisoners, whether written or verbal, are hereby rescinded. Nothing in the Agreement shall be construed to provide any agreement, benefit or cause of action to any third party.

A RESOLUTION APPROVING THE STATEMENT OF SERVICES TO BE PROVIDED TO THE PROPERTY OWNERS IN THE CANAL LANDS ANNEXATION III AREA, THE APPROXIMATE DATE SERVICES WILL BE PROVIDED, PROCEDURE FOR INCOMPATIBLE ZONING USES UPON ITS BEING ANNEXED TO THE CITY OF CANAL FULTON, OHIO.

WHEREAS, interest has been expressed by the property owner(s) of real property commonly known as the Canal Lands Annexation III Area to annex a portion of its land consisting of approximately 120.987 acres, to the City of Canal Fulton; and

WHEREAS, the City of Canal Fulton wishes to state the services which will be provided now or in the future to said annexation area by the city upon the accomplishment of such annexation; and

WHEREAS, the City of Canal Fulton, pursuant to Ohio Revised Code Section 709.023, wishes to state the approximate date such services will be provided and zoning uses; and

WHEREAS, the statement of services as hereinafter provided has been discussed and approved by the City's Administration and Council; and

WHEREAS, it is the opinion of the City's Administration and Council that such services would be provided at a higher level than presently are being provided; and

WHEREAS, the territory included in said annexation area is not unreasonably large; and

WHEREAS, the general good of said territory will be served upon annexation.

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CANAL FULTON, OHIO:

Section 1. The following services will be provided as required or needed to the property owner in the Canal Lands Annexation III Area by the City of Canal Fulton upon its annexation to the City of Canal Fulton and approximately on the date it is officially placed on the map as part of the City of Canal Fulton by the Stark County Auditor:

- a. Street Maintenance. Emergency repairs, routine maintenance, snow and ice control, and street cleaning on all public streets and roads. And where any road is divided in the Annexation area, the City of Canal Fulton agrees to be responsible for repairs, routine maintenance, snow and ice removal, and street cleaning on the entire roadway.

- b. Street Lighting. Street lights may be installed by petition of property owner.
- c. Water Installation Costs. Water main extensions may be installed by property owner and, subject to approval by the Director of Public Service, the city shall provide free of charge all piping necessary to extend water mains to new residential, commercial or industrial development within the city. The property owner shall be responsible for preparation of plans and installation of the water main extension in compliance with city Water Department specifications and city Code requirements, including obtaining applicable permits and subject to city inspection and approval. Upon installation, the city shall be the owner of the water main and shall thereafter maintain the same, subject to the requirement that the property owner or developer shall maintain the water main for one year at his/her sole cost and expense. The property owner and/or developer shall execute such contracts as are required by the Water Department. This section shall not be interpreted to include the provision of materials of tap-ins to existing water mains, which are the property owner's responsibility and expense.
- d. Street Costs. Streets may be installed by property owner in compliance with regulations of City of Canal Fulton, Ohio. The property owner shall be responsible for the preparation of plans and installation of the streets in compliance with regulations of the City of Canal Fulton, and city Code requirements, including obtaining applicable permits and subject to city inspection and approval. Upon installation, the city shall be the owner of the streets and shall thereafter maintain the same, subject to the requirement that property owner shall maintain the streets for one year at his/her sole cost and expense.
- e. Fire. Fire services to be provided by the fire district.
- f. Compliance with Revised Code Section 709.023. If the territory is annexed and becomes subject to zoning by the City of Canal Fulton and that zoning permits uses in the annexed territory that the City of Canal Fulton determines are clearly incompatible with the uses permitted under Lawrence Township's regulations in the adjacent land remaining in Lawrence Township from which the territory was annexed, the City of Canal Fulton will require, in the zoning ordinance permitting the incompatible uses, the owner of the annexed territory to provide a buffer separating the use of the annexed territory and the adjacent land remaining within the other municipality. For the purposes of this section, "buffer" includes open space, landscaping, fences, walls and other structure elements, streets and street rights of way, and bicycle and pedestrian paths and sidewalks.

AN ORDINANCE AMENDING ORDINANCE 29-17, RATES OF PAY FOR NON-BARGAINING EMPLOYEES, AND REPEALING ANY ORDINANCES IN CONFLICT THEREWITH.

WHEREAS, the Canal Fulton City Council has established rates of pay for non-bargaining employees, and

WHEREAS, adjustments are to be made to their pay, and

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CANAL FULTON, STATE OF OHIO, THAT:

- Section 1:** Section 124.02 of the Codified Ordinances shall be amended to read:
- 124.02 CLERK OF COUNCIL / ASSISTANT TO THE CITY MANAGER
There is established the position of Clerk of Council / Assistant to the City Manager at the direction of the City Manager. The salary shall be \$46,960.97 per year, payable 42% from the General Fund, 29% from the Water Operating Fund, and 29% from the Sewer Operating Fund.
- Section 2:** Section 123.01 of the Codified Ordinances shall be amended to read:
- 123.01 FINANCE DIRECTOR
The Finance Director shall receive a salary of \$62,881.46 per year, payable 42% from the General Fund, 29% from the Water Operating Fund, and 29% from the Sewer Operating Fund.
- Section 3:** The Assistant to the Finance Director shall receive a pay rate of \$18.62 per hour, payable 42% from the General Fund, 29% from the Water Operating Fund, and 29% from the Sewer Operating Fund.
- Section 4:** The Chief of Police shall receive a salary of \$70,358.09 per year, payable from the Police Fund. The position shall receive the same uniform allowance as union employees of the department.
- Section 5:** The Police Department Administrative Assistant shall receive a pay rate of \$18.43 per hour, payable from the Police Fund.
- Section 6:** The Superintendent of the Utility Department shall receive a salary of \$55,677.48 per year, payable 50% from the Water Operating Fund and 50% from the Sewer Operating Fund. The position shall receive the same uniform allowance as union employees of the department. If the employee possesses a Water Operator and/or Sewer Operator certification equivalent to the classification of the City Water Treatment Plant and Wastewater Treatment Plant, then the position shall receive the same stipend as union employees of the Utilities Department.
- Section 7:** The Superintendent of the Street Department position will be vacant at the start of 2018. The salary will be determined by City Council at a later date.
- Section 8:** Pursuant to the compensation package adopted by Ordinance 22-12, the City Manager shall receive a salary of \$79,017.54 per year, payable 42% from the General Fund, 29% from the Water Operating Fund, and 29% from the Sewer Operating Fund.
- Section 9:** The Law Director shall receive a salary of \$28,154.06 per year, payable 42% from the General Fund, 29% from the Water Operating Fund, and 29% from the Sewer Operating Fund. Since the position is not a full-time employee, the position is not eligible for longevity pay defined in Section 11 below.

Ordinance No. _____ Passed _____, 20____

Section 10: The Zoning Inspector shall receive a pay rate of \$18.56 per hour, payable from the General Fund. Since the position is not a full-time employee, the position is not eligible for longevity pay defined in Section 11 below.

Section 11: There is established the position of Parks and Recreation Director. The salary shall be \$18.56 per hour, payable 60% from the General Fund and 40% from the St. Helena II Fund. Since the position is not a full-time employee, the position is not eligible for longevity pay defined in Section 11 below.

Section 12: All full-time employees shall receive additional compensation of \$150 for every year of full-time service worked for the City. This longevity service pay shall be cumulative upon each employee's anniversary date of full-time employment.
